Any completed trading transactions with duration of five (5) minutes or less will not be included in the calculation of the fee payment. Duration is considered the time between the opening and closing of a position.

All positions that were closed on the platform using the functions “close by” and “multiple close by” will not be included in the calculation of the fee payment.

All positions closed with a profit or a loss of less than one (1) minimum spread will not be included in the calculation of the fee payment.
