Complete rebate guide rate

XM

For each “Standard Lot” we are paying the followings:

- (a) for all currencies on Standard and Micro accounts the rebate rate is \$7/lot shall be paid to the Client.
- (b) for gold and silver trades on Standard and Micro accounts opened outside of the promotional period under 5 lot monthly trading it is \$7/lot. Between 5-50 lot/month (gold and silver trade) the discount rate is \$12/lot. If trading exceeds 50 lot/month (gold and silver trade) it is \$18/lot. The trading volume of the last few months cannot be combined.
- (c) for all other CFD instruments a commission on Standard and Micro accounts are according to Table 1 below shall be paid to the Client.
- (d) for all instruments on Zero Accounts a fixed commission equal to \$4/lot shall be paid to the Client.
